

From Chaos to Confidence: Your Survival Strategies for the New Workplace

Anyone working in today's business environment realizes that the chaos of change is the only constant. It seems the more you try to control or manage changes, the less in control you feel. As a corporate consultant and psychologist, Susan M. Campbell, Ph.D., knows that the old ways of management have become obsolete. In *From Chaos to Confidence*, she presents six vital survival skills for managing in the face of change and uncertainty. Complete with nearly fifty self-help activities, *From Chaos to Confidence* shows how you can come to see change as a management opportunity and ultimately use it to your advantage.
