

Teachings of Quran - Volume 3

The final textbook in our Teaching of the Quran series, volume 3 is separated into three sections: the Human Community, the Muslim Community, and Social Action. Each lesson begins with a Quranic verse (ayat), which has been selected to expound a message on the topic of the given lesson. The message contained within the ayah is elucidated in short and simple sentences. An extensive glossary is provided at the end of the book. The workbook provides interesting and thought provoking exercises in comprehension, vocabulary development, and critical thinking.
