

The Annual, 1998 Consulting (Pfeiffer Annual: Consulting) (Volume 2)

A Pfeiffer exclusive! All new activities, instruments, and presentation and discussion resources. Year after year, human resource professionals have relied on the Annual to provide up-to-date, quality resources on a variety of topics. This year is no exception. Here are three reasons why the Annual is the most relied-on human resource development source book: **RESOURCES** Experiential learning activities; inventories, questionnaires, and surveys; and presentation and discussion resources together in one resource. **CONTRIBUTORS** All materials are written by active HRD practitioners. These highly qualified individuals are consultants, university professors, and private industry professionals. They give readers a variety of perspectives from well-known and up-and-coming professionals from all over the world. **TOPICS** Materials for a variety of needs--from team building to improving process to implementing organizational change. The learning activities and discussion resources included in this new volume are must-have resources for any human resource or training shelf.
