

The 2-Minute Leader

Keys to Effective Leadership Effective leadership is driven by key habits indispensable practices that can be rapidly activated and applied. With compelling simplicity this unique book examines 10 of those practices each centered on a key word, a key statement and a key application. As the author explains, two minutes is ample time to begin implementing any one of them. You will experience them in depth over the course of the book; and as you put them to work, your life and leadership are certain to be enriched.
