

Japan: A Child of the Worlds Old Age (Classic Reprint)

Excerpt from Japan: A Child of the Worlds Old Age
My purpose in offering this little volume, is to record some facts regarding Pacific-Orient interests, impressions gained during a trip to Japan, and through other sources, believing the reader and observer are interested in a development that is sometimes startling by the logic of events. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
