

Job Interviewing Guide

Does this apply to you? In need of interviewing tips that really work? Having difficulty getting job offers? Looking for effective ways to reduce job interviewing rejection? Want to know- what Employers are looking for? Want to know-what candidates need to know? If you answered yes to any of these questions then David Claeys Job Interviewing Guide is for you. This 100 page guidebook shares the hard-earned wisdom of a (30) year staffing industry expert. You'll read firsthand about the strategies and tactics that have worked best for 1000s of candidates applying for positions in industries such as Insurance, Social Media, Software Development, Video Gaming, Movie Studios, TV stations, Manufactures, Healthcare, Real Estate developers, Advertising, Credit Reporting, Import and Export and Telecommunication. This candidate tutorial/guide provides best practices, checklists, role-playing and questions and answer suggested responses when interviewing. These interviewing techniques will help you improve your interviewing skills, which are the most critical in the job search process. Break down the barriers of interviewing difficulties that explain what employers are looking for from candidates and shows candidates how to prepare for a successful conclusion. You'll also find information all the detail planning that needs to take place. I'm not saying it's easy, but I am saying it's effective. It will build your confidence level so that interviewing is something you look forward to. Make your job search success a primary focus in 2013 by ordering your copy of Job Interviewing Guide today. This book is drawn from (30) years of mentoring, training and coaching 1000s of candidates to prepare for their job interviews. As a staffing person with a high interview to job offer ratio I'm able to share the tools and techniques so urgently needed in today's volatile job

market. With so many candidates and so few job opportunities its imperative you be your best in all aspects of the interview process so that you are the one that gets the job offer. This book explains what employers want to know and what interviewees need to know. I will begin with a self assessment exercise to establish a base line for you to know yourself. Then I go through the entire interview process starting with the introductions, first impressions, attire, research, interview questions and answers, formulating responses, body language, follow-up and how to evaluate the job offer. Whats inside this book: Table of Contents I. What Employers Desire in Candidates II. What Interviewees need to Know III. Types of Interviews IV. Self Assessment V. First Impressions VI.
