

The Best of Callahan

John is the funniest man on four wheels. ROBIN WILLIAMS Screw the critics. I love Callahan. His cartoons are like tongue-kissing your grandma. If its so bad, why does it feel so good? DAVE ATTELL, Writer and host of Comedy Centrals Insomniac with Dave Attell From the warped mind of one of Americas most twisted cartoonists comes The Best of Callahana wildly satirical, wickedly funny collection of favorite cartoons, of fans and author alike. Warning: This book is not for the timid, the easily offended, the politically correct, or your grandparents. Its for people who like their humor dark . . . about issues Mom and Dad told us were impolite to talk about in public. If you find offense, you shouldnt have been looking! Were not the boss of you. . . .From the Trade Paperback edition.
