

Healing for Companion Animals: A Comprehensive Guide to Learning

An enlightening and easy to read book that covers all you need to know about hands on healing for companion animals. Learn step by step how to give healing to your pets and other animals that come into your life. The Author of this book has been working as professional Animal Healer and Animal Communicator since 1999. She is the Author of several courses and books on related subjects that are run by Stonebridge College, as well as a columnist for a national magazine. The Author guides you step by step enabling you to learn at your own pace, whilst also, pointing out how to overcome hurdles that you may come up against. Hollys books are the first of their kind to cover the fascinating subject of the animals star chakra system, that until this time were very little known of.
