

The Business Case for Diversity, Fifth Edition

All new research, statistics, examples and information! The Essential Reference Book for Diversity Leaders You know that work place and marketplace diversity are the marks of a well-managed company. Now, The Business Case for Diversity, Fifth Edition, illustrates exactly how creating an inclusive culture benefits the bottom line. A must-read for diversity leaders, this book is completely rewritten, reformatted, and includes: *All new content, including the latest diversity research, statistics and studies. *Insight into harnessing the buying power of emerging markets. *Advice and examples from the DiversityInc Top50 Companies for Diversity *Evidence of how diversity increases retention, decreases costs, and improves profits *Each chapter delivers the information you need about the four cornerstones of successful diversity programs: CEO commitment, human capita, corporate communications, and supplier diversity. You'll learn how to measure your companys efforts and benefit from a more inclusive corporate culture
