

## The Complete Peanuts Vol. 21: 1991-1992

The Complete Peanuts: 1991-1992 is the 21st volume (of 25) of the perennial, best-selling series that collects every single one of the 18,000-plus Peanuts newspaper comic strips created by Charles M. Schulz, from its debut in 1950 to its end in 2000. In this volume, the series enters its homestretch as the strip enters its final decade: Schulz's cartooning has never looked more confident, and his sense of humor is unrestrained.
