

The Complete Peanuts Vol. 13: 1975-1976

These years are especially fecund in terms of new canine characters, as Snoopy is joined by his wandering brother Spike (from Needles), his beloved sister Belle (from Kansas City), and... did you know he had a nephew? In other beagle news, Snoopy breaks his foot and spends six weeks in a cast, deals with his friend Woodstocks case of the the vapors, and gets involved in a heated love triangle with Linus over the girl Truffles.
