

The Case of the Hsieh Abduction (Sherlock Holmes in Silicon Valley)

The master team of Holmes and Watson are hard at it again, this time helping solve a mysterious contamination problem at a new semiconductor factory. As if things were not bad enough, one of the family members is kidnapped! Its a race against time--can Holmes use his abilities to discover the fiends responsible for the kidnapping? Can he help save the family fortune?Set against the background of 1970s Silicon Valley, this amusing tale will keep you in suspense until the climatic end. Naturally, matters philatelic appear in this intriguing tale.
