Saved from certain death, the result of his life of crime, The Deacon is given a second chance, and uses that opportunity to fight against crime, to protect the weak, and to right the wrongs! Disguised as a man of passive peace, and often accompanied by his faithful sidekick Mickey, The Deacon spreads fear among those who would do evil! The Deacon enjoyed a long run in Cat-Man Comics, and his colorful and exciting adventures remain a testament to the great comics of the Golden Age! Our books are reprinted from the best available images. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics.
