

The Devils Golden Boy Ch1 (Yaoi Manga)

When in Hell, its better to be favoured by the Devil than be left to rot with the rest of the damned. In a poverty stricken district of Seoul, the orphanages are packed to the rafters with discarded children. But are they as unwanted as they seem? To the ruthless South Korean Mafia, the Kkangpae, they are a welcome source of new foot soldiers. Forced into a world of violence, drugs and extortion, these lost souls have no choice but to adapt and blend in amongst those already entrenched in a regime of crime. But for one little boy, blending in is an impossible task. Something which could either be his downfall or his salvation. Raised to be the Devils golden boy, can Jeong keep his favoured position or will their bond be broken in the fight to be at the top of the underworld?
