

Green Lantern Archives, The - Volume 3

In the third installment of the Green Lantern Archives, Hal Jordan becomes a true master of his power ring as his adventures begin to grow in scale and action. Taking on intergalactic warriors and human super villains alike, Green Lantern shows the true power of his mind and his ring. Included in this volume is the first appearance of Star Sapphire, the deadly alter ego of Hal's girlfriend, two monumental battles with his archnemesis, Sinestro, a classic team-up with the Flash, and an extraordinary adventure starring Green Lantern's predecessor, Abin Sur.
