

The Ham Whisperers Technician Class License Course Second Edition

Updated and valid until June 30, 2018!
This Amateur Radio Technician Class license course focuses on providing an easy and enjoyable way to study for and pass the Technician Class exam! The thirty-five lessons in this course break the Element 2 Technician Class question pool into manageable pieces to aid the student in the understanding and retention of the exam material. A simple and easy to comprehend explanation is given for each question along with practice quizzes, study sheets, and practice examinations. Track your progress and take the exam with confidence! This course of study is your guide to passing the Technician Class exam and your first Amateur Radio license!
