

## The Sword of Mohammed

What would you do if suddenly your car didnt run, your lights didnt work, your house furnace and air conditioner were disabled, your refrigerator became a warm storage cabinet for rapidly decaying food, and your employer was out of business? How would you survive? Where would you go? And suppose that on top of this sudden chaos there came a horde of marauders riding swift horses into your city to murder, rape, burn, and pillage--and the police were powerless to stop them. Do you own a gun? How many bullets would it take....
