

Turbo Fires Up!

Turbo Fires Up is a story based on a real life crested gecko named, Turbo. In the beginning of the book, Turbo tells you a little bit about himself. He feels like he is empty on the inside. He searches high and low for something to fill his empty hole. He sets out on a journey to find what he is missing. Along the way he makes some friends and discovers that he had it in him all along. So take a journey with Turbo and along the way you will fall in love and discover some exciting facts about crested geckos.
