

Pinwheels, A Collection of Projects to Get You Spinning

Pinwheels are among the best loved quilt patterns. This book of ten projects for all skill levels will have you spinning in no time. Illustrated instructions will lead you through any or all of the projects easily and completely. Quilting and design tips as well as charts to help you design your own projects are included. Whether you like wall hangings, quilts, tote bags, placemats or bookcovers or just want to design your own pinwheel project, this is the book you will want to add to your library.
