

## Threes Company

One day, our hero finds himself the third of three siblings the other two of which are a pair of cute high school girls! Theres Mio, the touchy-feely type who drops in on our hero during bed and bath time, and then theres Nao, the younger sister who cant stand being around him. With Mios overenthusiasm for their arrangement and Naos total prudishness about the whole situation causing friction on a daily basis, its taking our hero everything to keep from going crazy! Will the day ever come that this trio becomes a normal, happy family?
