

The Complications of Being Jazz

What if meeting ones soul mate is not just a hopeful romantic notion but part of the divine plan to save our immortal souls? This is the dilemma facing Jazz Delahunt when Mitch Davidson walks up the beach and into her life. Jazz knows instantly that Mitch is her soul mate, but is he really? Mitch is hauling serious baggage and Jazz herself isnt exactly footloose and fancy free. Indications are this is going to be one crowded relationship. But Jazz doesnt know the half of it. A soul named Sene claims that Mitch is the reincarnation of Joshua, her lover from a previous life. She wants Joshua back - and is now using Jazz to do it.
