

## Torah MiEtzion: Bemidbar

Torah MiEtzion presents original, insightful essays on the Bible by the rabbis and scholars of Yeshivat Har Etzion, one of today's most vibrant and influential schools of modern biblical interpretation. Since its founding in Israel in 1968, Yeshivat Har Etzion has emphasized Bible study alongside Talmud study in order to foster what its founder, Rabbi Yehuda Amital zl, called an organic understanding of Torah and Torah philosophy. The result has been the development of a unique, analytically rigorous, creative, interpretive method that is infused with a profound quest for meaning. This volume of Torah MiEtzion, which examines the Torah portions of the Book of Bemidbar, includes essays by Rabbis Amnon Bazak, Ezra Bick, Yonatan Grossman, Menachem Leibtag, Mosheh Lichtenstein, Elchanan Samet, Chanoch Waxman, Dr. Yael Ziegler, and other leading scholars.
