The daily comic strip Get Fuzzy is cartoonist Darby Conley's wry portrait of single life with pets. In the Treasury of the Lost Litter Box, the gang is back to endure the trials and tribulations typical of any family . . . more or less. At the center of the mischief is Rob Wilco, a single, mild-mannered ad executive and the guardian of Bucky and Satchel. Bucky is a temperamental cat who clearly wears the pants in their eccentric household, while Satchel is a gentle, sensitive pooch who struggles to remain neutral, almost guaranteeing hell will wind up on the receiving end of whatever trouble Bucky has cooked up. Treasury of the Lost Litter Box is a compilation of the Get Fuzzy misadventures previously chronicled in Ignorance, Thy Name Is Bucky and Dumbheart. Treasury of the Lost Litter Box is perfect for fans of the comic strip and a hilarious, if not-so-gentle introduction for new fans.
