

Triumphal Success for Troubling Times

Dave Johnson was born into a loving, but very poor family in the middle of the Great Depression. He was brought up in the church and Dave accepted Christ at a young age. After years in the entertainment business, Dave decided to change direction with his career. He became a top salesman. No matter whatever field he tried he was successful at it. He became an author and branched out to become a recognized and sought after motivational speaker. Throughout the 1980s he traveled all over the United States and Canada giving sales seminars. Network Marketing, or Multi-Level Marketing, was something Dave became curious about, and after trying a few different companies finally happened on NuSkin International. Dave became a distributor for NuSkin in 1987, and soon became one of the top distributors for NuSkin, earning its highest level of achievement. This book contains the knowledge of attacking life that few of us ever seem to grasp. Dave recently went on to be with the Lord, but has left us with life insights that are a must reading for all.
