

Urban Farm Projects: Making the Most of Your Money, Space and Stuff

From the editors of Urban Farm magazine, Urban Farm Projects expands the boundaries of city and suburban self-sustainability. Over 40 innovative do-it-yourself projects are stylishly presented and compiled in this entertaining and easy-to-follow users manual. With projects ranging from the simple (candle making and canning) to the more ambitious (raising bees to pollinate your own crops), this crafty book will appeal to the thrifty and eco-conscious alike. Whether working with a pot or a plot, a backyard or a balcony, Urban Farm Projects is the consummate guide to self-sufficiency and a must-have for every urban dweller looking to make the most of his or her limited money, space, time and stuff!
