

The Complete Modern Comics - Pt. 21: Featuring Blackhawk & Torchy - Issues #62-64 -- All Stories - No Ads

From 1941-1945, through the entire storm of World War Two, Military Comics both informed and entertained the youth (and adults) of America, with stories of the Army and the Navy, and more. Featuring some of the best talents of the day, such as Will Eisner and Reed Crandall, and one of the most popular comic titles in history, Blackhawk, Military Comics remains one of the most sought after golden age titles in history. Once the war ended the name was changed to MODERN COMICS, but the characters and the creativity stayed. Instead of fighting the Nazis or other foes, Blackhawk and his team became soldiers of fortune; Dogtag continued to make us laugh; Choo-Choo and Ezra still messed up in style --- and the series moved forward! We're publishing them all! In Summer 2015 you will find all 102 individual issues of Military/Modern Comics - - - OR you can find them all in the 34-Volume Collection, The Complete Military/Modern Comics - - - OR, if you're a Blackhawk fan, we're offering all 102+ Blackhawk stories from Military/Modern Comics in four giant volumes, Blackhawk: Classic Comics Library #32, #64, #70 & #80!
