

X-Files: Season 11 Volume 2

For years, FBI agents Fox Mulder and Dana Scully toiled in the X-Files Unit, a one-office division of the Bureau dealing with cases deemed unsolvable and related to unexplained phenomena. Eventually, both agents left the FBI and began a new life together in peaceful anonymity. However, recent events prompted them to return to the Bureau and the X-Files. In Endgame, Gibson Praise sees his master plan close to becoming reality. Will Mulder and Scully be able to stop him? Will they really want to? Find out in the stunning finale of Season 11.
