

There is only one Yep

The stubborn black sheep Yep has lost his glasses. He leaves the herd and looks for them. The wolves Grim and the Grey have his glasses but they themselves will only exchange them with Yep for his fur. They sing loud and false. Yep is afraid, but then he remembers the song of the shepherd ... A beautifully executed picture book about Yep, the black sheep. Sylvia Vanden Heede and Marieke ten Berge take the children along in the story of the lost sheep that is found by the shepherd. The text and illustrations match perfectly into the world of young children. Doing everything yourself, discovering new things, but also the fear of the unknown and the safe feeling of security are being discussed in this book. At the end of the book, there is a short version of Jesus' parable of the lost sheep.
